

# Jacqueline Higgins

**Director, Planning, Design and Programs**

Jacqueline Higgins is a licensed Professional Landscape Architect (PLA) with 17 years of project management experience and 15 years of experience in the field of landscape and irrigation design. As the Principal Landscape Architect for Coast to Coast Landscape Architecture, she worked on many projects around the county with a specific emphasis on climate-appropriate designs. Higgins worked in the environmental consulting field as a Restoration Landscape Architect, where her practice focused on ecological restorative and regenerative systems design. Higgins thrives on working with interdisciplinary teams to create holistic and self-sustaining landscapes that enhance the local habitat and overall environment. In addition to her professional practice, Higgins volunteers as Chair of the San Diego American Society of Landscape Architects Stewardship Committee and as a member of the California Native Plant Society Garden Committee.
